

NOVUX™ Fiber Optic System NVX-UMB-NN-MM-BK: Universal mounting bracket M

Applicable for CC 150/200

1 Kit Contents UMB M

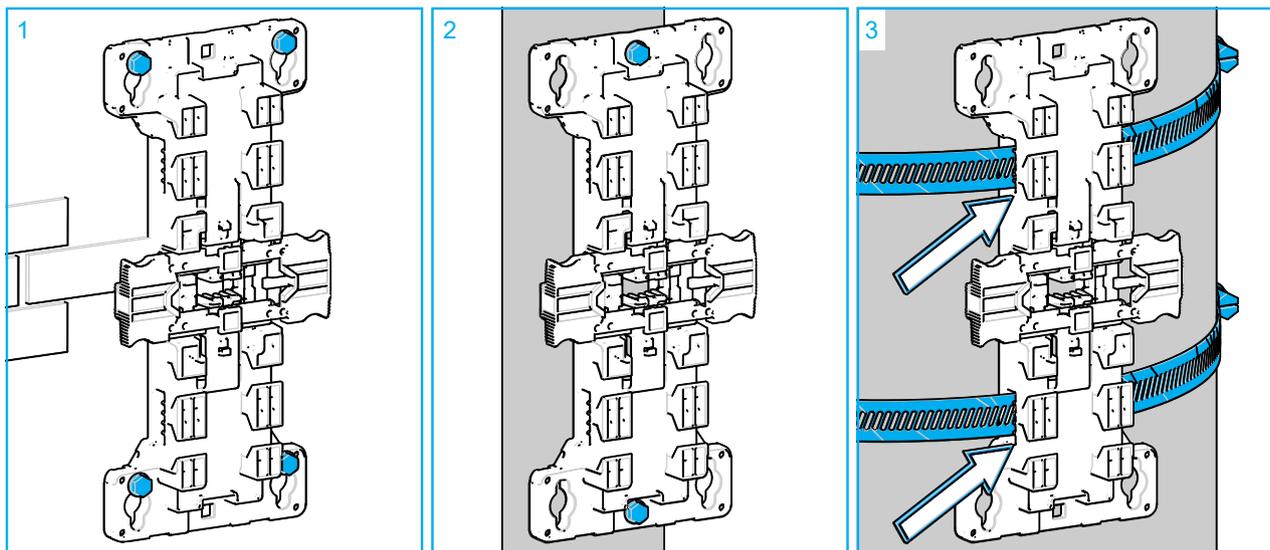

N°	Description	Qty
1	Universal Mounting Bracket Medium (UMB M)	1

Note: Mounting hardware (such as screws, plugs, washers) should be selected according to intended mounting surface (not included in the kit).

2 Mount the UMB M

Depending on the use, there are several options for mounting the UMB.

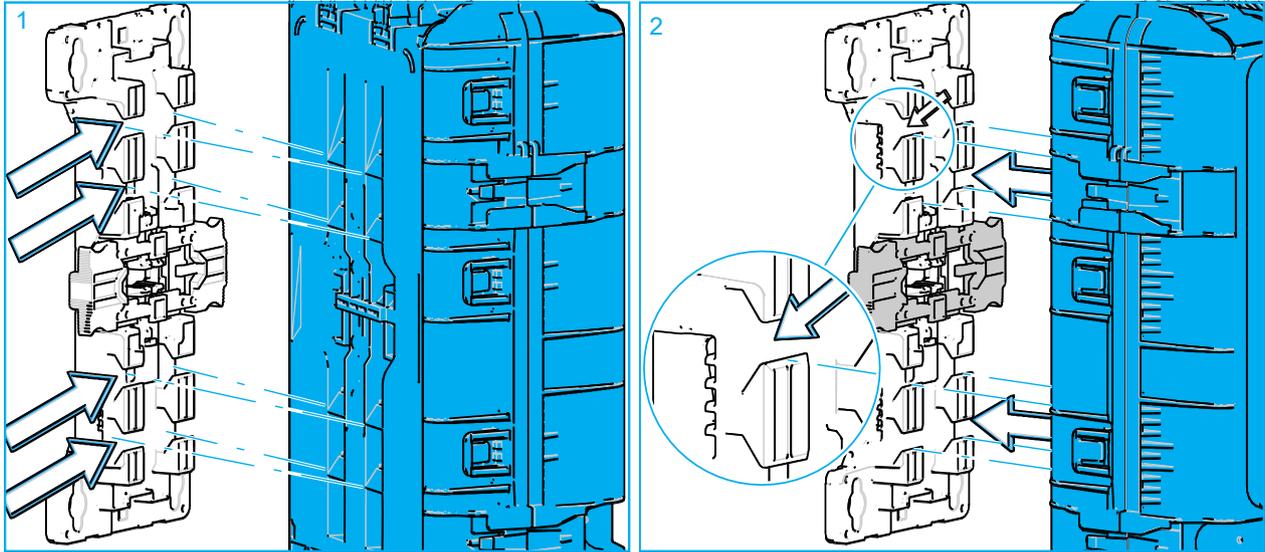

1 Mount the UMB on a flat surface with 4 screws.

- 2 Mount the UMB on a flat surface or onto a pole with 2 screws.
- 3 Mount the UMB onto a pole with 2 straps

 **Note:** Mounting hardware is not a part of the kit.

3 Install the closure onto the UMB M

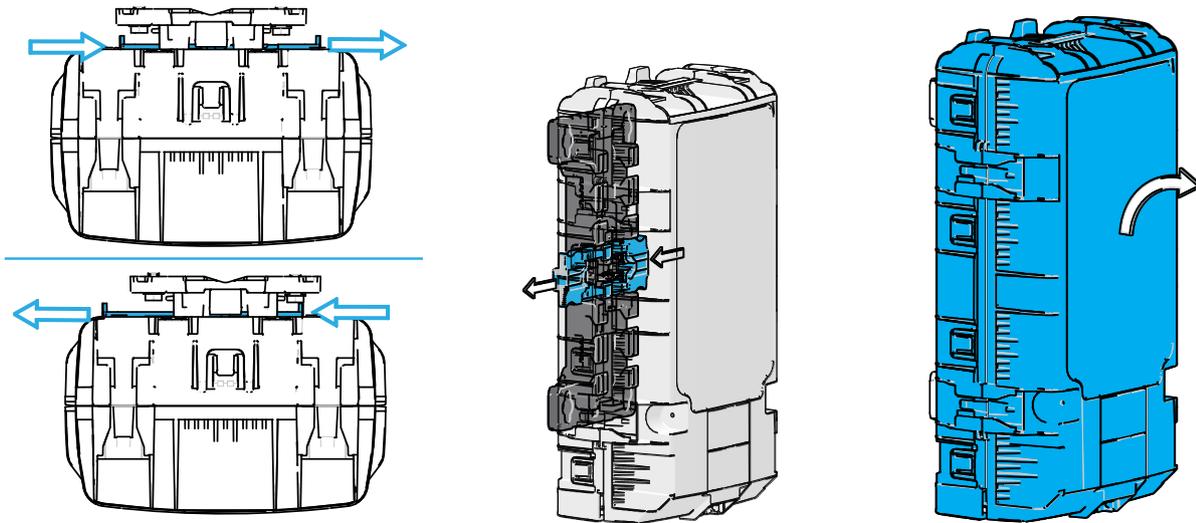

- 1 Secure the closure onto the UMB M with the features highlighted.

 **Note:** Make sure the handle is positioned centered in the bracket before installing the closure onto the UMB.

- 2 Move the closure to the mounting bracket. Then slide the closure downwards. When a click sound is noticed, the closure is properly locked.

4 Detach the closure from the UMB M

- 1 The handle can be pushed left or right to unlock the closure.
- 2 Push the handle to one side.
- 3 Lift and remove the closure.

 **Note:** Verify that the handle is centered again.
